

Equipment required for email enabled software Upgrade.

- USB connection cable (male <-> male)
- USB Memory drive
- Star head/Philips screwdriver
- Email enabled Software file

We recommend a backup of the THX-DL settings and parameters before upgrading to the latest versions of software.

Download Setup/Settings

From the Main Screen, press the $\overset{\circ \kappa}{\overset{\circ \kappa}{\overset{\circ}}}$ key, followed by the $\overset{\bullet \kappa}{\overset{\circ \kappa}{\overset{\circ}}}$ key to select Download Settings in the menu and then confirm selection by Using the $\overset{\circ \kappa}{\overset{\circ \kappa}{\overset{\circ}}}$ key to start downloading the settings. Do not remove the memory stick until the progress bar disappears.

The data is saved to a file in 'setup.txt' format. The file content is readable by the THX Datalogger units only.

POWER OFF UNIT AND ISOLATE ANY ELECTRICAL SUPPLY ENTERING THE UNIT.

Unscrew module cover and turn off Battery-Back up switch.

• Reconnect the front lid, Press and hold the "OK" button.

• Connect the THX to the PC via male-male USB cable.

- Wait for a few seconds and release the "OK" button.
- The unit should enumerate as a "BOOTLOADER" USB Mass Storage

- Computer + BOOTLOADER (1.)				· 103 500	m. #*

• Open the "BOOTLOADER" folder and drag-n-drop the s19 file.

- After copying of file has been completed, disconnect the cable
- Switch the battery backup ON
- Close the lid and switch the power ON

Warning: Always disconnect mains supply before attempting to remove the cover.

Upload Setup/Settings

From the Main Screen, press the key, followed by the key to select Upload Setup in the menu and then confirm selection using the key to start uploading previously downloaded settings from the memory stick. Do not remove the memory stick until the progress bar disappears.

THX EMAIL SET-UP

- On the THX scroll to the "NETWORK" screen and select the DHCP icon, then press save icon to find your network settings.
 - Contact your Network administrator for setup assistance.
